Quality, Health & Safety

We strictly follow the quality of our work. Quality assurance has been of significance importance in our organization. For that, we have dedicated staffs to frequently check the quality of works in order to maintain high quality works. We believe strict quality control eventually aids both the company and clients.

Safety has been always of top priority in our company. We have earned an industry-leading record of achieving zero lost-time incidents on 90 percent of our projects. Our commitment to zero accidents extends to every aspect of a project, from planning to completion, and from the boardroom to the field crew.

PASSION
Your
COMFORT

The illustration shows a large yellow lightbulb in the center of a circular table. Eight people are seated around the table, each working on a laptop or tablet. The scene is viewed from above, and the background is a light gray circle with faint icons of a bar chart, a speech bubble, and a magnifying glass. The entire graphic is set against a blue background with a large white circle.
